DONATE BLOOD

MEDICAL BACKGROUND

Find Donor Any Problem?

Donate Blood Twice a year every year

Who We Are?

Blood Donation Society Pakistan is Non Government, Non Political Volunteer Society and our Motto is in seek pleasure of Almighty Allah by Saving Human lives via facilitating blood transfusion. Through our mobile app and website, we provide blood donations across Pakistan with few taps on finger tips. We try our level best to meet 100% blood requirements voluntarily throughout Pakistan. We have a database of volunteers across the country willing to donate blood who can be reached through this app and our website. For this purpose, we also conduct different seminars and motivational sessions in colleges, universities and local communities. We also create awareness among youth of the country. We aim at ensuring access to safe and sufficient supply of blood and creating acceptability & accessibility in local communities for voluntarily donation of blood.

The image shows two screenshots of a web application. The top screenshot is the login page for the 'Manager-Panel'. It features a dark background with a mountain range and a glowing blue cube. The login form has fields for 'admin' and a password, a 'Forgot Password?' link, and a 'LOGIN' button. The bottom screenshot is the 'User Panel' dashboard. It has a sidebar with navigation links: Dashboard, Events, Problems, Users, and ADD. The main area displays six statistics cards: 'SAHAR MOIN' (Update Account), '8' (All Donations), '16' (ADD User), '8' (View Events), '0' (View Problems), and '14' (View Profile). Below these is a table of 'UNAPPROVED' entries. The table has columns: S# (1-4), Name (Maryam, Saad Hassan, Mustafa, Al radwan), Contact (02244064060), CNIC (35202-3696324-9), Problems (Need 25k for University Fee, 5k For Roohan, Need 2k For School fee, 50k for Operation), Approve By (admin), and Action (Edit, Delete). The bottom of the dashboard shows a table of 'APPROVED' entries with the same structure.
